9 **TRANSFER ORDER**

10 These five cases, spread across three United States District Judges and two United States  
11 Magistrate Judges,<sup>1</sup> relate to the same construction projects: an air-traffic control tower and  
12 terminal radar approach control at McCarran International Airport. Motions to consolidate these  
13 cases into the earliest-filed action, *Gallagher-Kaiser Corporation v. Liberty Duct, LLC*, Case No.  
14 2:14-cv-00869-JAD-NJK, have been filed, but a conflict prevents the judge assigned to that case  
15 from accepting transfer of some of the later-filed actions. Nevertheless, the undersigned judges  
16 have determined that assignment of these actions to a single district and magistrate judge would  
17 save substantial duplication of labor and is likely to effect a substantial savings of judicial effort.  
18 Therefore, Local Rule 42-1(a) permits the assigned judges to transfer these five cases to the  
19 jurists assigned the next-oldest related action, *Desert Mechanical, Inc. v. Travelers Casualty &*  
20 *Surety Company of America*, Case No.: 2:15-cv-02298-GMN-DJA.

21  
22  
23 <sup>1</sup> Two other seemingly related cases (2:12-cv-00612-MMD-NJK and 2:15-cv-02150-RFB-PAL)  
have already terminated and are not part of this transfer order.

1 IT IS THEREFORE ORDERED that **Case Nos. 2:14-cv-00869-JAD-NJK; 2:20-cv-**  
2 **02341-APG-BNW; and 2:21-cv-00402-APG-DJA** are TRANSFERRED to United States  
3 **District Judge Gloria M. Navarro and United States Magistrate Judge Daniel J. Albregts.**
